Article Title : Analysis of Work Behavior and Work Adaptation through Job Satisfaction on Productivity
Manuscript ID : AHRMR No. 1028

Thank you for submitting a signed Journal Publishing Agreement Form and for completing a revision of the manuscript that meets an acceptable standard for publication in **Advances in Human Resource Management Research**. We have received their votes and recommendations from the Journal's external review board.

Congratulations! The editorial board voted on your revised manuscript in favor of publication, and the article has been **"ACCEPTED"** in its current form for publication. From now on, your article will move forward to the production pipeline so that it will be published online in **Volume 4, Issue 3 (2026)**.
