### Jurnal Teknik Industri: Jurnal Hasil Penelitian dan Karya Ilmiah dalam Bidang Teknik Industri

Jurnal Teknik Industri (JTI) is an academic journal published periodically by the Department of Industrial Engineering Faculty of Science and Technology UIN Sultan Syarif Kasim Riau, Indonesia. This journal focuses on publishing scientific articles from research in filed Industrial Engineering and Management. The article received is the result of the originality and contributes that have never been published before.

Jurnal Teknik Industri is registered in the National Library with International Standard Serial Number (ISSN : 2460-898X and E-ISSN : 2714-6235). Ethical behavior of all parties involved in the act of publishing articles in this journal, including authors, chief editors, editorial members, peer reviewers, and publishers is regulated in this provision. Moreover, this journal provides 10 (ten) articles and it is published two times a year involving June and December. Articles submitted to the Journal will be reviewed (double-blind review) at least by 2 (two) blind reviewers. Then, the submitted article should meet the assessment criteria and in accordance with the instructions and templates provided by JTI. Currently, articles may be written in Indonesia. The entire process until published will be free of charge. The paper must be sent to the Open Journal System (OJS) with .doc or .docx format. This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge. JTI collaborate with BKSTI (Badan Kerjasama Penyelenggara Pendidikan Tinggi Teknik Industri) and The Institution of Engineers Indonesia (Persatuan Insinyur Indonesia)
