Assalamu 'alaikum, wr, wb

Dear Asad Ridhadin

Paper ID : 001_ICSSET_23

Paper Title : VLAN and OVPN Implementation For Computer Network Engineering and Communication Optimization

Thank you for participated in the International Conference Series On Science, Engineering, and Technology (ICSSET). We are pleased to inform you that your article has accepted to be presented at the ICSSET 2023, which will be held on July 10, 2023 with the following conditions.

1. Please kindly revise your paper based on the feedback given by the reviewer as attached in the email.
2. The revise paper together with relevant files should be resubmitted
3. Please follow the steps on our website: <https://icsset.umsida.ac.id/> for further information.
4. Disclaimer : Please understand that the payment will be allocated for further submission to Scopus journal or Web of Science either review process or publication fee. Please do your best to meet the SCOPUS or WOS journal publication standard, since rejection *will not your money back*.

Walhamdulillahirobbil 'aalaamiin

Wassalamu'alaikum wr. wb

Regards,
Organizing Chairperson,

A handwritten signature in black ink, appearing to read 'M. Abror', is written over a circular logo. The logo consists of three overlapping circles in red, white, and blue.

M. Abror, SP., MM.
