Journal Description

The first printed edition was published in June 2013. Meanwhile, KOMUNIKA starts using the Online Journal System (OJS) in July 2019. Therefore, our publication from June 2013 till December 2015 was back issued. As we grow, we did some alterations in order to make an improvement. The author's guidelines were revised in June 2016 on the article interface. We also employ a journal template for Juli 2019 edition with additional title sours on the first page. Moreover, in the same edition, we also revise focus and scope. KOMUNIKA aims to encourage research in communication studies. KOMUNIKA published two times every year in **January** and **July**.

Several other changes are informed in [Journal History](#).
